

Signature: A Growing Trend

In a time when many companies would be satisfied to simply maintain their standing, Signature has experienced explosive growth in recent years. We ranked 115th on the *Inc.* 500 list, a position earned due to our 1,632% five-year revenue growth. Signature was also honored as the 36th fastest growing IT staffing firm in the 2003 *Purple Squirrel 100*, given our 126% revenue growth over the previous three years. As we continue to make significant strides, Signature is committed to sticking with what we do best, and doing it better than anyone else.
