Signature Consultants awarded #3 Best Place to Work in Charlotte (Large Category)

Charlotte -- Signature Consultants (www.sigconsult.com), the nation's 26th largest IT staffing company was recognized in an awards luncheon on November 4th as the #3 Best Place to Work in Charlotte (large category) by the Charlotte Business Journal. This marks the third consecutive year that Signature has participated and been selected as one of the Top Ten Best Places to Work in Charlotte. Having ranked #7 in 2008 and #6 in 2009 this award is Signature's highest ranking to date.

Selected by his peers as the corporate representative to receive the award, Senior Resource Manager Brent Hamilton stated, "In the 12 years that I have been with Signature this is one of the most exciting and remarkable moments for Signature and myself personally. This award demonstrates our continued commitment to place our employees, consultants, and clients above all else."

Signature Consultants qualified for this award by first being nominated by one of its employees, submitting required documents, and most importantly having Quantum Workplace survey its working population in the Charlotte area.

In attendance at the event Mark Nussbaum COO of Signature Consultants shared, "Being selected and judged by our own employees makes this award very special. We believe that supporting our employees and consultants in partnership with our clients is our number one priority. Having this be our third consecutive year as one of the Top Ten Places to Work in Charlotte and demonstrating continued improvement from #7, to #6, to now #3 shows that we are listening to our team's feedback. With their feedback and dedication to perpetual improvement there is no doubt that our aggressive growth and success over the past 14 years will continue long into the future."
