

Signature Consultants Pledges to Raise Money for Wounded Warriors

Fort Lauderdale, Fla. (December 16, 2011) – Signature Consultants, a leading IT staffing firm celebrating its 15th year in business, announces its plan to raise and donate money for the Wounded Warriors Project this holiday season.

The Wounded Warrior Project™ began when several veterans and friends, moved by stories of the first wounded service members returning home from Afghanistan and Iraq, took action to help others in need. What started as a program to provide comfort items to wounded service members has grown into a complete rehabilitative effort to assist warriors as they recover and transition back to civilian life.

In lieu of company-wide gifts, Signature Consultants donates money on the employees' behalf to the project; they also pledge to match any donation made by internal employees, consultants, clients or friends of Signature Consultants this year.

“The holiday season provides a unique opportunity for reflection and appreciation,” says Jay Cohen, CEO & President of Signature Consultants. “I believe this is an important way for all of us to say ‘Thank You’ to these remarkable people who have risked everything for us and for the love of their country.”

This year's donation marks the 5th year that Signature Consultants has participated in the Wounded Warriors Project. Donations will be accepted until January 6th, 2012. To donate, please email contact@sigconsult.com
