

## **Signature Consultants Hosts Rene Rancourt at Local Party**

Boston, MA. (February 1<sup>st</sup>, 2012) - Signature Consultants ([www.sigconsult.com](http://www.sigconsult.com)), a leading IT staffing firm celebrating its 15<sup>th</sup> year in business, recently hosted professional singer Rene Rancourt for their annual local holiday party held at The Langham Hotel on January 26<sup>th</sup>, 2012.

Massachusetts-based Rancourt has performed the United States and Canadian national anthems for the Boston Bruins for the past 35 years. He began singing at Boston's legendary Fenway Park and travelled with a GI travelling show throughout the United States during the Vietnam War. In 1976, he began singing regularly for Bruins games.

Signature Consultants was founded in 1996 and has grown organically to become one of the largest national staffing companies in the country that focuses specifically on IT job placements. This past March, a leading voice in the staffing industry, *Staffing Industry Analysts*, named Signature the "Best IT Staffing Firm to Work For" in the country.

"It was an honor to have Rene at our party," says Senior Partner Mike Cherenson. "He's such a staple in the Boston community; we were glad we had the opportunity to show him more about Signature's culture."

Signature Consultants' annual holiday parties are held to showcase the company's appreciation of the long-standing relationships between clients and consultants.

"We're excited to deepen our relationships with our local partners and to continue to have events like this in the area," said Joseph Patrissi, sales manager for Signature Consultants.

### **About Signature Consultants LLC:**

Based in Fort Lauderdale, Florida, Signature Consultants was established in 1996 with a singular focus: Provide clients and consultants with superior staffing solutions. Signature is the 24th largest IT Staffing Firm in the United States. (Source: *Staffing Industry Analysts*) With 16 locations throughout the United States, Signature annually deploys more than 1,100 IT consultants to support, run, and manage a client's technology needs.
